

Winter News

Happy Winter to everyone!

The Giving Tree and food drive throughout the months of November and December were a tremendous success! I want to thank everyone involved. Through your overwhelming generosity we were able to give 22 families a brighter Christmas!

A few reminders:

- If your child stays for a full day, please send in a new toothbrush if you haven't already done so.
- The children play outside each day (weather permitting) so please make sure they have the appropriate clothing for outside play.
- Please remember to send in shoes or sneakers for your child to change into from their boots. No slippers please.
- Please look over the Sick Child Policy on the website: www.tcpgardner.com. It is in the Parent Handbook.
- If there is inclement weather, please check the website for possible cancellations or closings.
- The Caring Place is a large building and does get cool and drafty at times. Please make sure your child has a sweater or sweatshirt to put on if they get cold.

Thank you to all the families that donate healthy snacks and needed supplies. They are greatly needed and appreciated. You may view the Wish List on the website for suggestions for donations.

Stay warm, Spring is just around the corner!
